

## **I WILL CELEBRATE CHRIST'S GIFT**

### **I Chronicles 29:14**

In this season of giving and receiving many of us focus on the giving more than the receiving. We celebrate that God gave us His Son but few of us think about how we can give back to His Son. The wise men brought Him gifts as a child. Today as children of God we are prepared to bring our Lord a gift. Our text reminds us that "For all things come from You (God) and of Your own we have given You." We celebrate Christ's gift.

Let me share with you three ways that we should give unto the Lord.

1. We should give Willingly.
2. We should give Generously.
3. We should give Cheerfully.
