I Will – Lesson 26

By – Thom Rainer

I WILL BE A BRIDGE BUILDER

Ezekiel 22:30

Whenever it is time to build a bridge, there is always a gap. Most bridges are over water so that we can cross to the other side. In modern times bridges are built in cities to expedite traffic flow on the highways. The purpose of a bridge is to connect that which normally would not be connected. We are living in a time when God is seeking a person who is able to connect people.

There is a clarion call for each of us to be about God's business on God's terms. The problem is that too many of us want to handle our business and God's business on our terms. A bridge builder used by God must see themselves as a chosen vessel that can make a difference in the world; to receive God's wisdom, God's will and God's way. Then one will become a real bridge builder.

Let me share with you how we can be a Bridge Builder.

- I. God is Looking for You.
 - A. To serve Him and His people
 - B. To sacrifice for Him and His people
- II. God is Leading You.
 - A. A person of integrity
 - B. A person of influence
- III. God is Living in You.
 - A. He is your protector
 - B. He is your provider
