

FREE COVID-19 TESTING

January 25 - 30

Pre-registration is strongly encouraged. Tests are first come, first serve. Parental consent is required for patients under the age of 17. Check the link in bio for registration details.

Please note testing times are subject to delays or early closures due to inclement weather, including below-freezing temperatures and wind-chill. If CORE's on-site weather monitoring devices indicate lightning within 6 miles of the site, there will be a 20-minute suspension. If a lightning delay is triggered within the last hour of operating, the site may close early for the day.
