Dear Community Church Family,

I pray that this letter finds you doing well. I also hope you were able to reflect on God's goodness during the past Thanksgiving weekend, despite the obvious challenge, struggle, and potential for sadness that this season offers. I was concerned for those of you who did not get to travel or those who live alone and am thankful for those of you who participated in the virtual breakfast on Thanksgiving Day.

While our building is closed, the life and ministry of Community Church continues! We have given away over 2,000 boxes of food in the month of November alone - thanks be to God! I have a host of announcements regarding the ministry, so please refer to the information below as often as necessary.
